

Miss Hu, Ya-Ting
Assistant Researcher Fellow

Invitation to Visit Ningbo Institute of Industrial Technology

Dear Miss Hu:

We are writing to give our cordial invitation to you for visiting Ningbo Institute of Industrial Technology, Institute of Advanced Manufacturing Technology, as a Visiting Assistant Researcher in your convenient time in 2016.

Our research involves, GIS, sensors, and data science that are closely related to your research background. During your stay in Ningbo Institute, we will organize academic seminars, you are also expected to give one or two talks about your work on scientific data science. We strongly believe that your visit will undoubtedly benefit our academic research and greatly contribute to our long-term collaborations.

We would be pleased and honored if you would consent to accept this invitation.
We are looking forward to hearing from you in the near future.

Yours Sincerely
